

## AIR, NOISE AND VIBRATION MEASUREMENTS

| Test/Service                                      | Type of Measurements                              | Charges in Rupees     | Remarks  |
|---|---|-----------------------|--|
| Noise and Vibration Measurements                  | Within 20 km distance from Battaramulla           |                       |  |
|   | Day time  | 7,500.00              |  |
|   | Day & Night time                                  | 11,250.00             |  |
|   | Beyond 20 km distance from Battaramulla           |                       |  |
|   | Day time  | 11,250.00             |  |
|   | Day time & Night time                             | 15,000.00             |  |
| Air Blast Over Pressure(ABOP) s                   | Within 40 km distance from Battaramulla           | 9,000.00              |  |
|   | Beyond 40 km distance from Battaramulla           | 14,000.00             |  |
| Ground Vibration                                  | Within 40 km distance from Battaramulla           | 14,000.00             |  |
|   | Beyond 40 km distance from Battaramulla           | 18,000.00             |  |
| Test blast  | Within 40 km distance from Battaramulla           |                       | For measurement locations above 20 km radius, transport charges up and down Rs.20/- per 1 km should be added |
|   | For two Blasts/day<br>Each additional blast       | 17,000.00<br>4,000.00 |  |
| Volatile organic carbon analysis                  | Measurements within 20km radius from Battaramulla | 12,400.00             | For measurement locations above 20km radius, transport charges up and down Rs.20/- per 1 km should be added  |
| SPM Measurement for any duration (up to 24 hours) | -do-  | 14,350.00             | -do-   |
| CO (one hour average)                             | -do-  | 12,400.00             | -do-   |
| Carbon Dioxide (one hour average)                 | -do-  | 12,400.00             | -do-   |
