

**Application for the Submission of Proposals for the Importation of Raw Materials in the List B of the
Basel Convention
Basel Technical Expert Committee – Central Environmental Authority**

1) General Information

- i) Importer name :
-
- ii) Industry name and address :
-
-
- iii) Telephone no :
- iv) Fax no :

2) Details of contact person

- i) Name :
- ii) Designation :
- iii) Telephone no :
- iv) Mobile no :
- v) Fax no :
- vi) E mail :

3) Details of the materials intend to be imported

- i) Raw materials proposed to be imported:
-
- ii) Country of origin and source of materials:
 - (a) Country
 - (b) Source
- iii) Basel convention Annex no: List A/B: No:
- iv) Custom HS Code/s :
- v) Quantity of materials intended to be imported (Please indicate per month):
.....
Nature of the materials to be imported: factory off cuts/ factory rejects/ recycled/ reprocessed/
post-consumer waste
- vi) Quantity of materials intended to be purchase locally (Please indicate per month):
.....

vii) Details of waste arising from the imported materials during the process and disposal mechanism:

.....
.....

4) If the importing raw material is to be used in existing industries

i) Industry category :

ii) BOI or non BOI :

iii) License available :

(a) Trade License

(b) Environment Protection License (EPL) number.....

(c) Scheduled Waste Management License (SWML) number

iv) Raw materials being used in the industry other than the material intended to be imported (State item wise quantity/ month) :

.....

v) List of main manufactured products and capacities :

.....
.....
.....

vi) List of by products :

.....
.....
.....

vii) Type of waste generated and methods of disposal of waste :

.....
.....
.....
.....

5) If any new Industry/ Project is to be established using the importing raw materials

i) Location of the project

(a) Address :

(b) Pradeshiya sabha :

(c) Divisional secretariat :

(d) District :

(e) Provincial council :

ii) Industry type :

iii) BOI or non BOI :

iv) If BOI please specify the category:

- v) BOI zone (if applicable) :
- vi) Raw materials being used in the industry other than the material intended to be import (State item wise quantity/ month) :
- vii) List of main manufactured products and capacities :
.....
.....
.....
- viii) List of by products :
.....
.....
.....
- ix) Type of waste generated and methods of disposal of waste :
.....
.....
.....
.....

Please note that copies of following documents should be attached to the application

New projects

- Location map indicating the project site, access to the site, surrounding development and infrastructure
- Brief project proposal
- Process flow chart and material balance
- Sample/ photograph of raw material
- Analytical report obtained from an accredited laboratory to ensure the toxicity and cleanliness of the material
- An agreement with the country of exporting / other country with a statement of willingness to accept the waste arising from the industrial process
- Any other relevant documents

Existing industries

- A copy of the valid Environment Protection License (EPL)
- A copy of valid Scheduled Waste Management License (SWML) – if available
- An agreement/s and other details including EPL, SWML of local buyers (for trading industries)
- Process flow chart and material balance

- Sample/ photograph of raw material
- Analytical report obtained from an accredited laboratory to ensure the toxicity and cleanliness of the material
- An agreement with the country of exporting / other country with a statement of willingness to accept the waste arising from the industrial process

I hereby certify that the particular information given by me in this application are true and correct.
